PRESS RELEASE

Launch the treasury share buyback program.

Cernusco Lombardone (LC), July 22, 2025 – Technoprobe S.p.A., a company listed on Euronext Milan and a leader in the design and manufacture of Probe Cards (the "**Company**" or "**Technoprobe**"), announces that, following the Board of Directors resolution on July 10, 2025, the share buyback program will start on July 23, 2025.

Treasury share purchases will be carried out through an appointed intermediary, identified as Intesa Sanpaolo S.p.A., exclusively on Euronext Milan – EXM managed by Borsa Italiana S.p.A., in accordance with the methods established by Borsa Italiana S.p.A., which do not allow the direct matching of purchase orders with predetermined sale proposals, as permitted by Article 132, paragraph 1, of the TUF and Article 144-bis, paragraph 1, letter b), of the Issuers' Regulation adopted by CONSOB with resolution no. 11971/1999 (also through subsidiaries).

The reporting of transaction will be disclosed to the market in accordance with the terms and conditions set out in the laws and regulations in force.

Technoprobe Group

Technoprobe is a leading semiconductor and microelectronics company. Established in 1996, Technoprobe specializes in the design and manufacture of electro-mechanical interfaces called Probe Cards for chip function testing. Probe Cards are high-tech devices – tailored to the specific chip – that allow you to test the operation of chips during their construction process. These are projects and technological solutions that guarantee the operation and reliability of devices that play a decisive role in the Information Technology, 5G, Internet of Things, home automation, automotive, and aerospace industries. Technoprobe has its headquarters in Italy, in Cernusco Lombardone (LC). Since May 2, 2023, Technoprobe has been listed on the Euronext Milan market. For more information: www.technoprobe.com
